im sorry i dont know what to tell you . i didnt mean to leave it off that way . please dont why did you do that its not fair! to me . i need to go somewhere , i need to get away . there is no time . what do you think youre doing . i need someone . i dont want to talk about it anymore . do you miss me? i know . please dont say any more about it . its not your fault . its your fault . i wont talk about it with anyone else i promise just please leave me alone i need some time to myself i can never find the time . where did half of my life go? why cant i get this done? the future is terrifying who can i talk to? there is no one here . this isnt how i thought it would be , how is it going? maybe not so good , but it doesnt totally matter anyway . nothing does .

MUSICIANS & COMPOSERS: Bonnie Lander, James Bean, Judith Hamann, Drew Ceccato, Joey Bonfiglio **LIGHTING DESIGN:** Lily Bartenstein **SOUND DESIGN:** James Bean **PRODUCTION:** Jessica Flores **THANK YOU:** All involved, Wojtek Blecharz, Anthony Burr, Anthony Davis, Sam Dunscombe, Paul Hembree, Joe Kucera, Nicolee Kuester, Batya MacAdam-Somer, Clint McCallum, Susan Narucki, Ori Talmon, Shahrokh Yadegari, Colin Zyskowski

i miss you its crazy but it all went wrong i shouldnt say that but then what do i say? there is no one else to talk to , no one would understand . no one could . i just dont know what to do or what to choose , where do i go from here? how did i get here anyway? i cant make this better , i cant make this right , i cant quit i wont walk away . i cant stay . this is hard . this is not easy . where did i go wrong and how did it happen like this? i hope it works out . im sorry . did you want something? who the hell are you anyway! i will try to get there but dont make a scene . i am tired . im so bored , theres nothing keeping me here , but theres nowhere to go . why do i always have to overcomplicate everything? it doesnt make sense . why did i do this at all?
